Dear Parents,

I hope you are all doing well and staying healthy. Report Cards were posted last week on Digital Academy. It is important to log on and read your child's report card. Please sign off on it when you do so.

A link for Conferences was sent on Monday. Make sure you are signing up for the teacher you want to speak with using the tabs across the top.

The internet offers a lot of information. Some of the information that is available is not appropriate for students. Please make sure you are always monitoring your students when they are on the chrome books, using video games, or their phones. It is very easy for them to click on places they shouldn't be or for outside influences to gain access to your child and our school. Please let us know if you have any questions or need any help.

God Bless and Stay Safe,

Miss Chessler

## Calendar Update:
