HOLY SPIRIT SPARTANS

While nurturing active Christ-centered citizens, Holy Spirit Catholic School's mission is to maximize student learning through the development of responsibility, reasoning, and resilience.

Advent

The Liturgical Season of Advent begins November 29th. Advent begins the time of waiting for our Lord's birth. We light the first purple candle on the wreath. This candle symbolizes hope. We have a school Advent wreath and the classrooms have one as well. Families can create their own Advent wreath for their home to light every week and pray together as a family as we all prepare for the Birth of Christ.

Deepen Your Faith:

Dear Jesus, thank you for all the blessings and the treasures you have showered upon us. Thank you for family, friends, knowledge, wisdom, and all your angels and saints who guide us in our journey of building up your kingdom. We ask you, Lord Jesus, to bless our gifts, bless our lives, and bless this day. Amen.

Thanksgiving Day Tips:

Safely Celebrating Thanksgiving

According to the Ohio Department of Health, the best way to protect yourself and your loved ones during the COVID-19 pandemic is to celebrate the holidays at home with members of your household. If you decide to get together with others, please keep the gathering small (10 people or fewer) and stick to the basics:

- Everyone should wear a mask who can safely do so.
- Make sure everyone washes their hands frequently and uses hand sanitizer.
- Whenever feasible, stay 6 feet away from one another.
- Regularly disinfect frequently touched surfaces.
- If you are sick, remain home and stay away from others as much as possible.
- Have a small dinner for those who reside in your home, and organize a virtual call with extended family to discuss everyone's feasts and what they are thankful for.
- Have your own parade. Drive by homes of neighbors or family members to wish them a Happy Thanksgiving.
- Dig out those old photos and videos of Thanksgivings past, share your favorites with relatives, and ask them to do the same. Have the most tech-savvy family member create a shareable video combining all the contributions.
