Dear Parents,

Welcome to a new school year! This is a year that will be different from any year we have experienced! I am so grateful and blessed that all of our students and families are safe, healthy, and back together again! It has been a long time since students were in our building.

Thank you for your patience this week with all the new technology and platforms (Digital Academy and Google Classroom). Teachers have told all students how to log in and when to log in. As you have probably experienced, technology can be finicky and temperamental. We are working as quickly as we can to resolve any problems. Please email Mrs. Garnica, Mrs. Bryan, or your child's teacher for any technology issues or questions. Email addresses are on the website, www.holy-spirit-school.org.

Please remember our teachers are hard at work all day long in the classroom and your questions cannot be answered instantly. Online learners at home need to make sure they are following teacher directions and following all guidelines. This is all new for everyone and we are working as best and as fast as we can.

We have launched our new website! Please check it out and check back often for new and updated information. We will post it there and on Digital Academy. Please return any forms to the office as soon as possible (EdChoice, Tuition Statements, Health Forms, etc.) I truly appreciate all of you and am looking forward to a fantastic year!

God Bless and Stay Safe,

Miss Chessler

COVID-19 INFORMATION

Holy Spirit School has gone above and beyond to keep students, teachers, and staff safe at school. We have hand washing stations, hand sanitizers dispensers, thermometers, plexi-glass barriers, and a large supply of masks, wipes, and gloves. While at school, everyone keeps their masks on and stays socially distant from one another. We ask that when students and families are at home, they follow the same guidelines.

As a school, we have to have a way for parents and staff to report a positive COVID case 24/7. Please call the school during school hours. Outside of school hours, please email achessler@cducation.org to report a positive case. **Please report cases immediately.**

When calling please give the following information:

- i. Name of person who is positive with COVID (COVID case)
- ii. Status of COVID case (staff member? Student? Parent or family member of staff or student?)
- iii. Contact phone number of COVID case or guardian
- iv. Date of diagnosis
- v. Remember to STAY HOME and KEEP all family members living with the COVID case home until contacted by school/ health department

**Virtual Curriculum Night:

**More information will come from
