Dear Parents,

Happy Fall! As the weather changes, please remember to send your student with a sweatshirt or jacket as we do go outside often. Also, shorts are no longer permitted.

Please check your child's Google Classroom. Parents are invited to join as well. You can view all class work and assignments. It is important for you to know the assignments and to check if your child is completing them. It is also important to let your child do their own work. Although it can be tempting to assist your child when answering questions or taking quizzes/tests, please do not. Teachers use this information to see how students are doing and to guide lessons for the future. It will hinder your child's education if they were thought to have understood something when they did not.

This year is different from any year we have experienced. It takes more of a team effort to make sure students are learning and reaching their full potential. Fridays are a great time to check in with your child's teacher or set up meetings, especially if you or your child is having difficulties.

Thanks for all you do!

God Bless and Stay Safe,

Miss Chessler

We will live stream it.

Deepen Your Faith:

Dear God, help all of us be compassionate people. When we look and see the needs that exist around us, let us not be overwhelmed. Instead, let us respond to that need by contributing in any way we can. May we have the strength and self-confidence to stand up for the oppressed and isolated, the teased and bullied, and bring them happiness and pride. May we rise to the challenges that surround us just as St. Vincent de Paul did. Then we will be filled with His joy and love. Amen.
