President's Day

Dear Parents,

Next week starts Catholic Schools Week across our nation. During this week, we celebrate the value that Catholic education provides to young people and its contributions to our church, communities, and nation.

The theme this year is "Catholic Schools: Faith. Excellence. Service." We are very fortunate to be able to incorporate all three of those into our curriculum and daily lives. We are a faithful school. We learn about the faith, practice the faith, and teach others about our faith each day. We strive for excellence in the classroom. Our students, despite all this year has delivered, have succeeded in the classroom and continue to strive for excellence. We have various service projects throughout the school year that help our community and nation.

We are so grateful and proud of our Catholic school. I personally thank all of you for your support, prayers, and dedication to Holy Spirit School. We would not be such an amazing school without our families, teachers, and staff.

God Bless and Stay Safe,

Miss Chessler
