School Resumes

Dear Parents,

I hope you all are doing well! Next week is our spring break. We will not be in school or online from March 15-19th. School will resume on March 22nd. The office will also be closed this week.

After deep thought and consideration, and keeping in mind all the health regulations still in place, Holy Spirit School will continue with the Hybrid Learning Plan for fourth quarter for all students. Remote students will join the Hybrid Learning Plan. The CDC and health departments believe that school is safe for students. All students will come to school two days a week.

It is important to begin the transition back to being in the classroom. I understand that change is hard and worrisome. Please know that all of us are doing everything we can to keep students, teachers, and staff safe. We would never put anyone in danger. We are all very excited to begin having our school back together!

God Bless and Stay Safe,

Miss Chessler
