Dear Parents,

Hello March! This month marks a year that we have lived in a pandemic and faced many hardships and challenges. We will continue to keep our safety measures in place and not let up. Our teachers, staff, and janitors have done an amazing job keeping all of our students and ourselves safe while in the school building.

Many of our teachers and staff are receiving their second dose of the vaccine this week and next. Please keep them in your prayers as they are taking the next steps to keep our students safe. As we keep learning more about the virus, we are able to take the necessary steps to continue to keep everyone in our building safe.

After Easter Break, our 4th and final quarter for the 2020-2021 school year begins. We will be moving all students to the Hybrid Learning Plan starting on April 6th.

God Bless and Stay Safe,

Miss Chessler
