June 3rd

8th Grade
Graduation

Dear Parents,

I hope you are all doing well! Our school year is winding down quickly. Make sure your children are doing their homework, studying for assessments, and turning in their work. Fourth Quarter ends June 4, 2021. Next week's newsletter will include our end of year plans.

As you are making your summer plans, please note that our first day of school is August 25, 2021. If you are traveling out of the country, please give your family time to quarantine after arriving back into Ohio. We don't know what August will look like, but please be prepared and considerate.

This week has shown that God is in control. We had sixty degree weather and snow this week! Please be mindful of the weather forecast when getting your children ready for school. We do like to go outside if it is above 32 degrees. Students may wear shorts. It is also encouraged to bring a water bottle labeled with the child's name.

God Bless and Stay Safe,

Miss Chessler

Important Points:

- Students may wear tennis shoes for the remainder of the year.
