Dear Parents,

We are entering our last month of the 2020-2021 school year! Next week is Teacher Appreciation Week! Our teachers and staff have worked extremely hard this school year with online and hybrid teaching. We are very blessed to have all of our wonderful teachers and staff at Holy Spirit School!

May is the month we honor Mary, Mother of God. We will be praying the rosary as a school during morning announcements. We will also be having a May Crowning Mass for each group of students.

Our last week of school schedule is below. We want to make the last days special for our students and teachers. We look forward to having a modified field day experience with our students!

It is very important for your child to stay in school until the last day. Missed days are marked as unexcused absences if you leave the school year early and students miss any work or assessments. Our first day of school next year is August 25th. I appreciate your attention to this matter.

God Bless and Stay Safe,

Miss Chessler
