Second Sunday of Advent

Volume 45 – Number 49

***“They acknowledged their sins.” (Mark 1:5)***

John the Baptist is often called the “precursor” or the “forerunner” of Christ because he prepared the way for the coming of Jesus. But why was this preparation necessary in the first place? Mark gives us a clue when he calls John’s baptism “a baptism of repentance for the forgiveness of sins” (1:4). John knew that sin kept people far from God, so he offered them the only remedy to help them receive Jesus when he came: repentance and forgiveness.

During Advent, we too are preparing for the coming of the Messiah, and part of that preparation also involves repentance. Like the people coming to the Jordan River, we know we have sinned and need forgiveness. And just as it did for them, repentance—even for minor sins—softens our hearts and opens us to Jesus and his grace.

How does this happen? Repentance requires us to take a spiritual inventory of what needs to change in our lives—of where we have fallen short of God’s commands. We don’t have to do this alone; if we ask him, the Holy Spirit will help us search our hearts and will gently reveal our sins to us. Then, when we see where we have strayed, the Spirit helps us see how deeply we need his grace. That causes us to go to Jesus more often and cling to him more tightly. When we experience God cleansing us of our sins, we can’t help but be filled with thanksgiving for his abundant love and for his unfailing, never-ending mercy.

So make it a point to try to get to Confession before Christmas. Let repentance become a daily practice as well so that you can keep your conscience clean of all those sins that can pile up and obscure your relationship with Christ. Repentance is powerful. God will use it not only to cleanse you but to soften your heart and draw you closer to himself.

*“Jesus, give me the grace to recognize my sin and repent.”*

### **THE IMMACULATE CONCEPTION OF THE BLESSED VIRGIN MARY (DECEMBER 8)**

This Holy Day celebrates God's divine plan of preparing a pure vessel – a woman- through whom His son, Jesus, would come into our world. This is when we celebrate the conception of the Blessed Virgin Mary in her mother's womb.

Sacred Tradition tells us of Jesus' maternal grandparents, Joachim and his wife, Anne. This elderly couple desperately desired a child but were barren. It was through God's divine plan or providence that they were able to conceive. Wanting a pure vessel into which God's Son would be conceived, Mary was kept free from original sin from the moment of her conception. God prepared the way for the fulfillment of His divine plan for the salvation of the world. God so loved the world that in the fullness of time He sent His only Son to be our Savior, and Mary was an important part in His plan.

A blessing to her parents in their old age, a blessing to the Jews in their long history, Mary became a blessing to all Christians at the beginning of history. This feast is about God's love for humanity and His long-term plan to bring us the fullness of grace through Mary. May each of us, like Mary, turn to God and say, "My soul proclaims the greatness of the Lord."
