Confirmation Preparation
Confirmation Name and Project
Due: February 23, 2022
Date Submitted:______________

Candidate’s Name _________________________________________________________________
(first) (middle) (last)

Confirmation Name _________________________________________________________________
(saint’s first name only)

Name of the saint this name is taken/derived from _____________________________________
(for example, St. Francis of Assisi or St. Joan of Arc. The Bishop will use only “Francis” or Joan” in the
Ceremony, but please write the entire saint name here. If the saint has a last name, he will generally use only the
saint’s first name in the Confirmation ceremony.)

It is not necessary to choose a special “Confirmation name.” If your first name or middle name is a
saint’s name, it can also be used as your Confirmation name. If you decide to choose another name,
be sure it is a Catholic saint’s name. If you choose your name off a website, please include the web
address. If there is a question about the name, we can check it if we have the web address. Not every
person called “saint” on the internet is a saint recognized by the Catholic Church.

Each student will put together a project about their saint. The information for Faith Formation
students is on the back of this form, and Gehlen students will receive information about this
assignment in the classroom.
Faith Formation Confirmation Name Project
Do some research on the saint whose name you have chosen whether it be your first name or another name you have decided to take. You have the option of doing a written report, creating a display board, or creating google slides about your saint. Please include answers to the following questions regardless of which option you select:

1. Why is this person a saint? What is she/he noted for?
2. Why did you choose this saint? What do you most admire about her/him?
3. What about this saint do you hope to imitate in your life?
4. How and why are you called to holiness, or how are you called to be a saint?

Option 1: Written Report
Type a report (12 point font, 1 page, double spaced, Times New Roman, or other guidelines as indicated by your teacher) about the saint, answering the above questions. Cite your sources. Projects that are plagiarized will be returned and the student will be expected to submit a new report.

Option 2: Display Board
Create a display board (either a tri-fold or poster board) about the saint, answering the above questions. Cite your sources for the written parts of your board. Projects that contain plagiarized written portions will be returned and the student will be expected to submit an updated board.

Option 3: Google Slides
Create a minimum of 4 google slides about the saint, answering the above questions. Cite your sources for the written parts of your slides. Projects that contain plagiarized written portions will be returned and the student will be expected to submit an updated board.

Projects can be submitted electronically by emailing them to bowerk@allsaintslemars.org.
