

## Diocese of the Mid-Atlantic

Dear Sisters and Brothers in Christ:

***National Assembly 2020 has been postponed.*** The Executive Council of TOCCUSA has accepted the recommendation of the National Assembly 2020 Planning Team that, due to the current COVID-19 pandemic in our country, we postpone our National Assembly 2020 until next year, 2021.

Please do not think for a moment that our preparation work has been in vain. Quite the contrary, the Executive Council will review our proposed 2020 schedule, make their recommendations, and find new dates for National Assembly 2021.

National Assembly Registration is closed at this time. If you already have sent in your registration and payment, it may be applied to next year's National Assembly. If you'd like a refund for your payment, please send an email message to the Treasurer: [rosemary.burdick2 @ aol.com](mailto:rosemary.burdick2@aol.com)

For now, stay safe, stay healthy, and most of all: **STAY PRAYERFUL!**

Blessings,

Your National Assembly 2020 Team
