

## Office of the House of Bishops & the Executive Council

January 20, 2021

To the members of TOCCUSA and to all the people of the United States:

On behalf of the House of Bishops and the Executive Council of The Old Catholic Church, Province of the United States, we extend our best wishes to our new President, Joseph R. Biden and our new Vice-President, Kamala D. Harris.

As our country begins the process of healing by writing a new chapter in the history of this great land, we join our prayers with those from around the globe who seek a peaceful new beginning.

May God bless President Biden and Vice-President Harris and their families with good health and the support of all of us without regard to anything that may be perceived as dividing us.

We are truly one nation under God, indivisible, with liberty and justice for all!

Sincerely your brother and sister in Christ,
