

May 28, 2020

Dear parents,

As we continue to prepare for the opening of our new school, many of you have expressed a desire to support our school by volunteering for events and fundraisers. As members of the Implementation Committee's PTG subcommittee, we are building a Parent Teacher Guild (PTG) which will work with our principal and teachers at both campuses. We are contacting you today to ask you to volunteer for this important organization.

The mission of the PTG will be to work with school administration and teachers to support the spiritual, intellectual and social formation of the children attending our school within the framework of our Catholic school's mission and identity. The PTG will organize community-building events and activities, fundraisers, and will coordinate volunteers for school events. The PTG will also coordinate assemblies and field trips to expand the cultural and learning opportunities available for our children.

Parent involvement is critical for the success of our PTG. Our new PTG needs volunteers who are interested in leadership positions as well as volunteers who have more limited availability. Any and all volunteers are welcome. As a reminder, full Diocesan clearances are required for any parent or guardian to work, attend or participate in activities that involve the student body (including class parties, field trips and assemblies).

Please use this google link to indicate your willingness/availability to assist our new PTG.
