

# **MRS. LYNCH'S WEEKLY MASS ANNOUNCEMENT**

It always brings me great joy to see and speak with you outside of our school.

Whether it's at an athletic or academic event, at the mall or in a restaurant, I always walk away proud, because you are always so respectful, and speak and act so well.

You represent us, and represent us well.

People know our school because of you.

Though the buildings we occupy have a history, we are new.

You are the foundation of Ave Maria Academy, you are its history.

In the future, you will do great things, and I, and your community will know that you came from us.

And it will make us smile. Thank you for that...
