Glass Recycling Drive

Our sponsor, Green Pickup , will come to your house to pick-up glass jars & bottles and gently-worn clothes for drop-off to recycling centers & charities.

For iPhone users, here's how to help:

Step 1: Get Vengo app from Apple Store (https://App.Vengo.Tech)

Step 2: Use app to take a photo of the recyclable items

Step 3: Leave items on your porch/driveway for Green Pickup

For Android users, here's how to help:

Step 1: email support@greenpickup.net with the address for pickup

Step 2: Leave $5 bill under the items on your porch/driveway for Green Pickup

$5 per bin or bag

ALL PROCEEDS are donated to Ave Maria Academy

FUN FACT:

Did you know that recycling 6 pounds of glass saves a pound of CO_2 from going into the atmosphere!
