

PRINCIPAL'S WEEKLY MASS ANNOUNCEMENT

Change...

**Outside, we see a change in the seasons.
From summer to fall, and soon to winter.
What you may not see is the constant change *we*
see, in each and every one of you.**

It is there.

**Your minds, your bodies, your spirits are
growing.
You are different today than you were yesterday,
and even more so tomorrow.
Each day, devote yourself to positive change, and
let us all be a witness to your success.**
