

As of March 1, 2021, the following guidance applies relative to exclusion of an individual from a parish/school facility after exposure to COVID-19:

COVID-19 SYMPTOMS?	COVID-19 TEST?	MAY RETURN TO SCHOOL AFTER:
YES	NO	<ul style="list-style-type: none"> € No Health Care Provider Evaluation: <ul style="list-style-type: none"> o 10 days since symptoms first appeared; and o At least 24 hours with no fever without fever reducing medication; and o Symptoms have improved. € Evaluated by Health Care Provider: <ul style="list-style-type: none"> o Health care provider provided written release to return to school; and o At least 24 hours with no fever without fever reducing medication; and o Symptoms have improved.
YES	YES COVID-19 POSITIVE	<ul style="list-style-type: none"> € 10 days since symptoms first appeared; and € At least 24 hours with no fever without fever-reducing medication; and € Symptoms have improved.
YES	YES COVID-19 NEGATIVE	<ul style="list-style-type: none"> € No Health Care Provider Evaluation: <ul style="list-style-type: none"> o At least 24 hours with no fever without fever reducing medication; and o Symptoms have improved € Evaluated by Health Care Provider: <ul style="list-style-type: none"> o Health care provider documented an alternative diagnosis; and o Health care provider provided written release to return to school.
NO	YES COVID-19 POSITIVE	<ul style="list-style-type: none"> € 10 days have passed since test
CLOSE CONTACT WITH SOMEONE WITH COVID-19		<ul style="list-style-type: none"> € 10 days after exposure if no symptoms develop € As early as 7 days after exposure if: <ul style="list-style-type: none"> o Individual undergoes a COVID test 5+ days after exposure, o Test returns negative, and o 48 hours passes after COVID test before ending quarantine. € Immunity Exception: People who have had COVID-19 within the past 3 months do not need to quarantine after close contact with someone with COVID-19. € Vaccination Exception: If you have received both doses of the COVID-19 vaccine, at least two weeks have passed since the second dose, not more than three months have passed since the second dose, <u>and</u> you have remained asymptomatic since exposure, then you do not need to quarantine after exposure to COVID-19.

SECONDARY CONTACT (Contact with someone who had contact with someone else with COVID-19)	€ Self-monitor for symptoms € No need to quarantine
AWAITING COVID-19 TEST RESULTS	€ Isolate at home until results are received.
TRAVELED OUTSIDE PA	€ As of 3/1/21, no quarantine is required for travelers. € Out of an abundance in caution, school or parish organized field trips and travel out of state are still discouraged.

As of March 1, 2020, the following capacity restrictions are in place to mitigate the spread of COVID-19:

- Face coverings are required.
- Operations must implement safety protocols, including social distancing, hygiene practices, and cleaning/sanitizing.
- Telework must continue unless impossible.
- Business Operations at 75% occupancy with social distancing
 - Exception: Indoor eating, indoor gyms, and indoor entertainment at 50% occupancy with social distancing.
- Social Gatherings
 - Indoor: 15% occupancy with social distancing
 - Outdoor: 20% occupancy with social distancing
