

# **MRS. LYNCH'S WEEKLY MASS ANNOUNCEMENT**

**I've witnessed your recent efforts, and successes, both inside your classrooms and outside of our Academy.**

**Your teachers have told me how you strive to take on academic challenges across all of your subjects.**

**Your work, your study, both in school and at home, is building the foundation of our Academy, and the foundation of your future.**

**It is the climb towards the goal which we remember.**

**That climb has also been on display in our Academy's athletics.**

**Training, practicing, competing and succeeding, you have made your mark.**

**Your success even extends to our Academy's "Shamrock Shuffle," which covered all fifty states and four countries.**

**Ave Maria Academy and I appreciate all of your efforts**
