

MRS. LYNCH'S WEEKLY MASS ANNOUNCEMENT

I still need you. All of you...

You have done so well during our first year together as Ave Maria Academy.

We are feeling Spring in the air and we think that we are beginning to see an outline of the finish line.

We are not there yet, and I need your help in completing our important mission.

Vaccines are beginning to find their way to those we care about, but we still need to protect them, and each other.

Our school *remains open* because of *your* efforts.

Efforts like wearing your mask *properly* and *always*, keeping your hands to yourself, even during recess, keeping your hands away from your face, and washing them often, and thoroughly.

We need to look out for one another, to continue to protect each other, and include those who may feel alone to join with us, *as we do here*.

Thank you for your efforts. You continue to make me proud...
