

MRS. LYNCH'S WEEKLY MASS ANNOUNCEMENT

Hello everyone!

We are joined today, together, for the last time in this school year.

Over this year you have worked so hard, and I am so very proud of each and every one of you!

Remember when we started? This was all new to us. A grand experiment in effort and cooperation.

Do you remember Protectors and Mentors? Carry that mission with you this summer, and throughout your life.

Remember to pray, for those who love you, for each other and especially those who are no longer with us.

We formed a trinity, first, those who love you and wanted you to be here, second, everyone tied to our school, our teachers, our staff, our religious and our volunteers, and finally you and your classmates.

Please use your remaining time to thank all of them.

We created, and became, Ave Maria Academy.
