

## **Ave Maria Academy**

### ***A Message from the Cafeteria***

Welcome to a new school year! We look forward to serving your child/children lunch and would like to give you an overview of how our lunch program works.

A complete lunch will cost \$3.75. An entrée without sides or a drink is \$2.50. Side items (vegetable, fries etc.) is \$1.50. Drinks (water, white and chocolate milk) are \$.50. A side salad is \$2.00.

A complete lunch consists of an entrée, a side item, fruit, vegetable and a drink. Chicken nuggets with potato, or grilled chicken salad are offered daily as substitute to the main entrée.

All payment for items purchased will be debited directly from the student's account. Orders will be taken during home room each day, the students will select their entree

Please try and keep balances up to date. Payschools Central is an easy way to check on your child's balance; you can also make payments this way. Instructions are attached. We also accept cash and checks. You can send this in with your child and it will be added to their account. Also, an email will be sent if your child has a negative balance to help keep you informed.

Please make all checks payable to AVI Foodsystems and mark your child's name on the check. We recommend that you supply your child's account with enough money to cover meals and snacks for a few weeks.

If there are any concerns, please feel free to contact me. I am looking forward to a great year!

Sincerely,

Todd Evans  
Resident Director
