Seton LaSalle Catholic  
High School

This year, Seton LaSalle will be hosting two types of events that your family can engage in: social events for students in grades 6-8, as well as admissions events for parents and students in those grades.

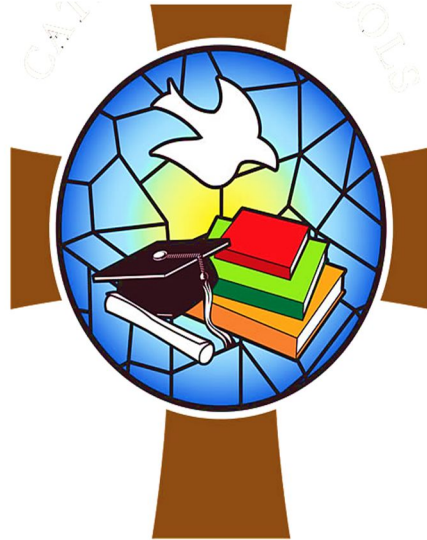

**Admissions Events:** Our admissions events are designed to give you the opportunity to gather information about Seton LaSalle as you explore high school options for your child/children (e.g. open houses, financial aid nights). We want you to be empowered to make the best decision for your family.

**Social Events:** Parents have said that students in the junior high grades don't have many social options in a faith-based environment so as a response, we created social events with the purpose of being fun, building an encouraging community, and appealing to different interests. These events are designed to be social opportunities for kids, and everyone is welcome, no matter if they are considering Seton LaSalle for high school.

*Please feel free to contact Bridgette Kennedy-Riske [kennedyriskeb@slshs.org](mailto:kennedyriskeb@slshs.org) with any questions and see the flier in the attachment section for more information.*

## **PRINCIPALS' WEEKLY MASS ANNOUNCEMENT**

We missed you, each and every one of you, welcome back.

You are Ave Maria Academy.

With that title, comes expectations and responsibilities.

Protectors... We protect one another. If you are gifted with either superior physical or mental strength, you have the responsibility to protect.

Mentors... We lead by example, don't we? No one should ever be alone at lunch, be alone on the playground or on the bus. No one should ever be made uncomfortable by our words or our actions.

We are all family, and as family, we will protect and mentor our family members.

Each day is a gift, and I am thankful that we are spending ours with our family, our Ave Maria family. Let's have a great year.
