

Our Lady of the Lake School

Online Ordering System for School Lunches

Our Lady of the Lake uses an online lunch ordering system accessed at www.myfooddays.com

If you have not yet signed up go to the aforementioned website and register. Go to "New Parents" "Sign up for a new account". After you register you will select Our Lady of the Lake School from the list of schools. Add **each** of your children to your account along with their proper grade.

As you click on the calendar when ordering, there will be days on which you will not be able to order, because the cafeteria is not open on those days (check your school calendar)

When your order is complete you will be able to reference it at any time through your account or print it out for your own use. Do NOT send any papers to school.

When you have completed your order, you will be asked to pay for the order using a credit card (Visa, Mastercard or Discover), PayPal, or by check. If you choose to pay by check, it must be **in the office by the stated deadline date** in an envelope marked "Lunch Order" with your child's last name on the envelope. **If you miss the deadline date you will have to wait until the next cycle to order.**

Even if you do not plan to purchase lunches during this cycle, please at least register for possible future purchases and emails telling you when the next ordering cycle begins.

PLEASE, allow yourself time to become familiar with the system. Do not wait until the last minute to sign up.
