

## Florida Council of Catholic Women Province of Miami

FCCW Leadership Committee

Linda Clark, Co-Chair Susie Harting, Co-Chair

NO pandemic will stop the Florida Council of Catholic Women! The Council of Catholic Women continue to stay strong during this time of the COVID. Council continues to meet by virtual meetings, conference calls, face time and through prayer.

The number of e-mails used for communication has doubled over the past six months. Leadership has found ways to get the word out to all members of the happenings of NCCW and local councils throughout the province.

The strong leaders within FCCW have conducted fundraisers, collected items for those in need, held CCW elections, installed the new officers, and continued the CCW business. Our leaders are to be commended for their exceptional leadership skills of thinking outside the box and staying positive during this time of change.

Zoom meetings are becoming more acceptable by all levels of council. Our NCCW Officers, Spiritual Advisor, and Province Directors from across the nation were installed and trained by ZOOM! Let us continue to pray for these newly installed leaders as they continue to lead us by being innovative and helping the members of NCCW stay strong.

Let us pray that the Florida Council of Catholic Women continues to stay healthy and strong as we tackle this pandemic called COVID-19. Also, pray for the United States of America as we get closer to the elections in November and for peace throughout the country.
