About this seminar

Amy Ponson is the Executive Director of the Catholic Foundation of South Louisiana. She is born and raised in New Orleans where she attended Ursuline Academy. She is married to a bayou boy and they have three kids - Michael age 7, Abby age 5, and Matthew age 1.5. Amy is an active volunteer within her community serving on Thibodaux Service League and St. Mary's Nativity School Advisory Board. While her community is important to her, her faith leads her and guides her through her work and personal life. She works closely with Bishop Fabre in the Diocese of Houma-Thibodaux and has launched several initiatives within the diocese including #iGiveCatholic. She is excited to take a day off in Houma Thibodaux to spend with our team in Biloxi sharing best practices with #iGiveCatholic.

Who should attend?

Anyone that will be managing a parish, school, or ministry effort for #iGiveCatholic this year.
