Winter Sports Program- should go to print in the next week or so. We'll mail a copy to every Booster Club Member.

Scholarships- Brett will start getting those apps ready for incoming frosh & outgoing seniors to go live. Fine arts scholarship will also be worked on.

Trivia Night-3/13/21 same as usual not making a decision on it yet due to Covid. We'll make a decision next meeting

Flagpoles at the Sports Complex- It's a need, good Eagle Scout project. Amanda reaching out to St Charles, St Patrick, St Andrew & St Gabriel & Dennis reaching out to St James, Brett reaching out to St Therese scouts to get the word out that we are in need of this and we will help donate materials for this project.

Alumni Softball Tourney- Brett will talk with Mr. Ringel, but shooting for June. It is to pay us back for baseball equipment we already paid for.

Possible future requests: Julie said Coach Daniels has mentioned the need for runners/mats for under the players benches to protect the floor (especially during parochial league). Mr. Coakley mentioned the need for a strength & conditioning coach for all sports. We also mentioned warmups for that get passed down with the uniforms, rather than the players having to purchase every year.

'20-'21 Events-

Host a social event after a (or multiple) home football game(s)- we will sell tickets, have food and drinks for a get together. We may even help other clubs/teams get involved with doing these, where we could spotlight the club/team at halftime of the football team, then they would sponsor (with maybe, WPBC help) the social event after that game.

Curbside Meals : Dennis brought up the idea, St James has been extremely successful with this raising over \$10K, it's on our radar for possibly fundraising.... Possibly mix **Movie Night** and this together sponsors for meat?
