Dear Friends,

The St. Pius X Parents Association would like to invite you to participate in an advertising opportunity at Athletic Complex this Spring. We are very happy that our students have been in school face-to-face all year long and that our student athletes have the chance to compete on the playing field. It is and has been a very unique year and still a great time to be a Warrior!

As we gear up for our Spring sports season, we wanted to present banner advertising opportunities to you for our Athletic Complex. We have space available for the track, baseball field, softball field and tennis courts. In addition, we have a premier advertising option that all visitors to the complex will see when they drive in.

If you join now, we will hang your banner this spring and it will remain in place throughout the 2021-2022 school year.

Improvements on the Stadium and Athletic Complex have continued this school year and we are proud to have wonderful facilities so close to home for our student athletes. In addition, with our new facilities, we have had the opportunity to share the space with our Northland Catholic School community as well as rental to outside teams. If you haven't had the opportunity to see the Soccer/Football Stadium or the Athletic Complex in person, please visit spxkc.org for our Spring Athletic Calendar and come out to see a tennis match, baseball game or soccer game.

The SPXPA continues in their mission to support the entire student body. Your support through advertising assists them in providing resources for our students. Thank you for your consideration and support.

Yours in Christ,

Bob Lee

Assistant Principal/Athletic Director
