

## **COVID-19 PRECAUTIONS FOR SAINT VINCENT DePAUL BASKET ASSEMBLY AT ST. GABRIEL CATHOLIC CHURCH**

### **HEALTH PROCEDURES FOR ALL VOLUNTEERS AND STAFF**

1. **Participants will follow the CDC's "Remain at Home Guidelines"** (see below), if they have tested positive for COVID-19, are experiencing symptoms, or have been in close contact with someone who has tested positive.
2. **Participants will have their temperature taken upon arrival.** Anyone with a temperature above 100.4 degrees, will not be allowed to participate.
3. **Participants will wear a mask:** Everyone will be asked to wear a mask upon arrival and during the shift, both inside and outside.
4. **Participants will clean their hands on arrival:** Everyone will disinfect their hands at the time of arrival with hand sanitizer.
5. **Participants (or their parents) will notify the parish if tested positive for COVID-19 AFTER** participating in an in-person gathering at the parish. Once the parish is aware of potential exposure to those who were in close contact of the participant, the parish will contact the small group of the participant.
6. Participants will answer COVID 19 Precaution questions before beginning assigned shift.

### **REMAIN AT HOME GUIDELINES**

For the well-being of others in our parish, volunteers will remain at home if they (or someone they have been in close contact with) has tested positive for COVID-19 or is experiencing any of the following symptoms as identified by the Center for Disease Control:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

According to CDC guidelines, it is only safe for someone to be around others 10 days after symptoms first appear and after 24 hours with no fever (without fever reducing medication), or 10 days after a positive test with no symptoms.
