

St. Gabriel's Cradle

Medication Form

If your child requires medication while they are at school, please print and complete the following form and send it with the medication to school. We cannot administer any type of medicine, lotion or cream (prescription or over-the-counter) without this information on record. Additional forms are available in The Cradle Director's Office.

All medications must be in the original container and labeled with the child's name, date the prescription was filled, the physician's name, directions for dosage and whether the medicine requires refrigeration. Please include a spoon or dropper if necessary to administer the medication.

Please make sure your child's teacher is aware of all medications your child is taking or needs to be given; give any medications directly to Cradle Director, Kate Stephens; do not leave medication in school bags.
