## **A Note from the Parent's Group**

**Parents and Guardians: Due to budget restrictions, the Archdiocese has determined that bonuses will not be received this year. We are asking that you please consider a monetary donation that will be shared between the staff here at St. Joseph School. The administrators, faculty, teachers and staff work very hard each year to provide an invaluable education to your children.**

**We thank you so much for your participation! All donations must be received by December 11, 2020. Donations of cash, checks and money are accepted. Please make all checks and/or money orders payable to the school and submit in the main office.**

**Thank You and Happy holidays!**
