

Our Lady of Guadalupe School  
In the MSJ Dominican Tradition

Dear OLG Families,

Thank you, parents, for joining the Zoom meetings this week. It's so important that you know how your children will be learning this 2020-21 school year. During these meetings we are sharing the Distance Learning Plan and your child's teacher is sharing the schedule for classes. This Distance Learning Plan will be on our website and sent to you on Friday.

As I've shared with you before, the teachers have been working very hard all summer preparing for this new school year. As we partner with you to ensure your child can become his/her very best self, we are so grateful for the very positive sense of community we experience here at OLG School!

On Tuesday, August 18, 2020 school will be open for you to pick up the books, schedules and other materials your child will need. Please see the schedule in this email. If the time is not possible for you, please let us know what would work better for you that day. There will not be any Zoom classes this day.

The school gift from the Class of 2020 is up at the corner of St. Leonard Way and Condon St., thanks to Juan Madera, father of Selomi (4<sup>th</sup> grade) and Juan, Class of 2017. Make sure you check it out when you come on Tuesday.

Here's to an amazing start to the 2020-2021 school year with a truly amazing staff of dedicated, professional educators, wonderful students, and tremendous parents. Please keep spreading the word about this gem of a school. While we know all children will be zooming their lessons to begin the school year, we can truly say that at OLG, our children will be receiving the support, the careful attention, the many gifts from our exceptional faculty and staff.

God bless us all as we begin 2020-2021!

In God's Peace and Joy,  
S. Janice Therese, O.P.

May they rest in the eternal peace of heaven.

## **Thank you to the OLG Class of 2020!!**

We are so very happy to announce that the gift that was given to the school from the Class of 2020 has been installed. Mr. Juan Madera and his son, Juan (class of 2017) beautifully framed the sign and placed it yesterday at the Condon St. entrance to our campus. This impressive sign replaces the one that still made reference to our former church, which moved from this site several years ago. We are very grateful for the new look. Our Lady is welcoming all who enter our holy grounds!!
