Dear OLG Families,

How long does it take you to run/walk a mile? Our 8th-5th graders started the challenge of completing the mile today and will try to better their times in the next few weeks.

Thank you for your tremendous support of our Winter Fundraising opportunities! We are still processing the orders and will let you know the results next week.

Open House is on Sunday, December 5 from 12-2, following our Family Mass at 10:30. Please invite a neighbor or a relative to join us for Mass and/or attend the Open House. Will you please help us spread the Good News about our school - your children and their successes? A pdf flyer in Spanish and English are attached to this email. If an interested family attends, make sure they let us know that you sent them and you’ll receive 2 service hours.

Also attached to this bulletin is a letter from Superintendent, Andrew Currier, regarding the Governor’s COVID-19 vaccination mandate. So many of our children are starting to get their vaccinations. Please make sure you show us your child’s vaccination card once s/he has been fully vaccinated. Being vaccinated or not determines what protocol must be followed in the event of travel or exposure. Thank you so much for keeping all of us safe. The travel guidelines will also be shared in this email.

In God’s Grace,
S. Janice Therese, O.P.

Time is changing and the weather is getting colder. We would like to remind OLG families that due to COVID, we don’t have a lost and found collection. Please make sure your children’s clothing are labeled with their name.
Volunteers are still needed to assist with Hot lunch (Monday-Friday 12-1pm). Any parent who volunteers must have fulfilled all the requirements to volunteer. Thanks to all current parents who are assisting with hot lunch. Please contact Ms. Fonseca at 510-657-1674 or ffonseca@csdo.org.
