

Academic Enrichment Grades 5 - 8

Weekly classes in Music, Art, Technology, Physical Education, Italian and Library Learning are held for K5 to 8.

Italian: Italian instruction and introduction to the culture and customs of Italy.

Tower Garden: Cross curricula activity which involves discussions, harvesting and sharing the produce grown in the hydroponic garden.

North End Music and Performing Arts Center (NEMPAC) (K5-8): General music classes and chorus.

North Bennet Street School:

Middle school woodworking and bookbinding-students walk to NBSS to participate in woodworking and bookbinding classes. As a result of participating in the NBSS school program, students develop better problem solving skills and increased confidence in their manual skills. Students are encouraged to employ their individual creativity within the boundaries of precise and disciplined work. Students better understand how focused, detailed effort relates to creating high quality projects.
