

Saint John School

2018-2019 Annual Fundraising Report

Dear Friends of Saint John School,

It is such a privilege to be the leader of a thriving Catholic school, that is blessed to be financially supported by so many. For our students' parents, their grandparents, our alumni, and so many societies to contribute to the Annual Fund speaks to your continued belief in our mission.

I am grateful to each of you for your generous support of our Annual Fund, and this report acknowledges your donation to our school.

As we celebrate our 125th year, we hope to exceed our fundraising goal of \$45,000. It is my hope that you will support the Annual Fund and allow our students to continue to enjoy the rich opportunities that a Catholic education provides.

With gratitude,

Claire Cassidy, Principal

St. John School is a Catholic value-centered community dedicated to fostering the growth of each student in spirit, mind and body. Welcoming pre-kindergarten through eighth grade students, we utilize innovative programs and a standard's base curriculum to educate the whole child.

The 2018-2019 Annual Fund was generously supported and we raised \$39,634. This year we hope that with the support of the St. John School community—parents, grandparents, parents of alumni, alumni, and friends will help us reach our goal of \$45,000 for the 2019-2020 school year.

The Annual Fund is the cornerstone of our major fundraising efforts. Your gift to the Annual Fund directly supports new school programs, educational enhancements, school improvements, and helps to secure the best education for our students.

We are grateful for the support of every one of you who is part of the St. John community. I know that each of you shares the enthusiasm and excitement we have about our great school.

Blessings to you and your families.

Lisa Santarpio, Director of Advancement
