

Home School Association 2020-2021 Fundraising Obligation

Welcome back! As we begin a new chapter here at Visitation Academy the main focus continues to be our children. Visitation Academy and the Home School Association (HSA) are committed to the continued success of our school by providing additional enrichment experiences for our children and continuing the tradition of being a strong community. We look forward to seeing you throughout the school year at various school events and community functions.

The HSA is the social and fundraising center of Visitation Academy. As a parent of a student attending Visitation Academy you are automatically a vital part of the HSA. \$90,000 must be collected by the HSA Board in order to meet the school's budget. Please note the changes in the HSA fundraising obligation collection. Each family must contribute \$450 by making a direct payment or by making monthly installments. As per the Archdiocese of Newark, these funds must be collected in order for your child to attend Visitation Academy. We have been successful in raising money with our fundraising efforts, but need and rely on your stewardship and support.

Families will be asked to participate in fundraisers throughout the school year in order to raise the remainder of the full obligation. Any excess over the \$90,000 allows the HSA to provide engaging activities and programs to enhance your child's school experience.

Your involvement is necessary and crucial to the success of our school.
