LETTER FROM BISHOP CHAD TO SHC PARISHIONERS

Dear Sacred Heart Parishioners,

I must confess that I do not recall having received a birthday card signed by over 40 people. I read each of the entries on the card and I was touched by your sincere and gracious words. Many of you expressed thanks for my ministry as bishop and indicated you pray for me. This is a “priceless gift” that I receive and do not take for granted. No man is equipped to take on the unworthy office of bishop but it is only by God’s grace that we proceed to do His Holy Will.

Also, I must admit that I conveniently escape Fairbanks on September 8 so my birthday may pass unnoticed as I am moose hunting in one of the villages of the Diocese. Due to travel restrictions, such tradition did not pass. So, I was the recipient of many gracious cards and a small celebration.

I truly believe our society these days, more than ever, needs more celebrations of life which is a beautiful and sacred gift from God. I pray for an end to anger, hatred and division as we celebrate the most beautiful gift that binds us together as brothers and sisters, God’s gift of life.

Thanks for allowing me to share my life in service to you in the name of Christ! May the Blessed Mother whose birth we recognized in our liturgical calendar on September 8, lead us all closer to her Son.

Sincerely in Christ,
Bishop Chad

Must Be Completed No Later Than 1 October 2020

If you have not completed the mandatory Safe Environment Training, go to the following website and make sure you are up to date: <https://safeandsacred-fairbanks.org> If you are unsure, contact Deborah in the parish office and she will help you. 474-9032.

From : OFFICE OF THE BISHOP, Safe Environment Training Mandates

See Complete letter posted on the bulletin board in the entryway of the church.

.....Therefore, it has been a long-standing diocesan policy that all who minister to the people of God through the Church, must complete a background check and safe environment training prior to the start of work or volunteering. In order to better track and facilitate this training, the diocese has partnered with an online training program called, *Safe and Sacred*. You may access the training at: <https://safeandsacred-fairbanks.org>. This training will help you recognize boundary violations, which are often subtle and can lead to abuse. You will also learn what to do if you witness this behavior and how to report any concerns.

All diocesan employees and volunteers must have an account and complete training on the Safe and Sacred website no later than 1 October 2020. If you do not have a current background check and have not completed mandatory Safe Environment training, then you are not authorized to work or volunteer until this is accomplished. If you are currently an employee with a current background check but have not yet completed the mandatory annual training, please do so immediately! As a volunteer, you need both the background check and completed training to volunteer. Please contact your priest, administrator or safe environment point of contact within your parish if you require assistance.

The Church relies on the wisdom and expertise of the Catholic faithful, the clergy, religious, and laity, who contribute immensely to confronting the effects of the crisis of abuse and take steps to resolve it. I am filled with gratitude for your great faith, generosity and for being part of the solution to this devastating crisis. Thank you for sharing in Christ's ministry to the people of northern Alaska. May God bless you for your desire to serve in our diocese.

Sincerely in Christ,

†Most Reverend Chad W. Zielinski

Thank you to all our clergy, church staff, and volunteers for helping to assure that our children and vulnerable adults are in a healthy, safe environment when they are in our care. Background checks and Safe Environment training help us accomplish that goal. Our volunteers are very much needed and we appreciate all you do for our parish family. Thank you for your dedication and willingness to help keep our children and vulnerable adults safe while they are in our care.
