This is a perfect opportunity to dedicate a weekend to yourself and your future spouse, to concentrate on the two of you as a couple. It is a working weekend; you will write about your thoughts and feelings concerning issues related to marriage. You will also be given time to privately share those thoughts with your future spouse.

This weekend encourages you to encounter each other. It is not a weekend of sharing or making new couple friendships although friendships with other couples are frequently formed as an added benefit. To get the most out of the weekend, we suggest you leave the pressures of the wedding and the world behind – they will return soon enough on Sunday (please no cell phones, iPods, computers, etc.).

A wedding is one day, marriage is for a lifetime!
