CONGRATULATIONS MONSIGNOR GULLY FOR 53 YEARS AS A PRIEST!

We are very blessed to have you here at our parish. We wish you many more years of priesthood!

NEW BEGINNINGS!
YOUR DOLLARS AT WORK!

The financial Council and Pastoral Council have agreed to have the following items done.

1. Church face-lift – which includes painting the walls, and replacing the carpet. The Diocesan Architect was consulted on the removal of carpet and stated there are 3 layers to remove.
1st layer is the original tile flooring that was glued down. The glue contains asbestos. And for that reason, we would have to use an abatement team to remove the tile, cost is \$15,000. 2nd layer is an indoor/outdoor carpet also glued. The 3rd layer is the green carpet we have now. Cost of the face-lift will be approximately \$50, 000, of which includes the \$15,000 for the abatement.
2. Asphalt on the front and back parking lot. The process used for the asphalt will be similar to the city roads in Coahoma, which is a Single shot tac oil and single course chip seal. The cost for both front and back lots is approximately \$42,000.

HOW DO WE PAY FOR THIS?

As we repay our savings, which we used to pay the contractor for our Lady of Guadalupe Family Center, we are able to pay for these two items.

Currently, our building campaign total through the end of April is \$974,274.58, towards our goal of \$1,200,000.00 – the cost of the construction.

As we continue pledging through March of 2016 these items will be paid for. **Thank you for all your contributions!**

Sunday's Reflections
Hebrews 9:11-15

The Blood of Christ

At communion time, many Catholics do not partake of the Blood of Christ. Some churches do not offer it. In those that do, some people abstain. Some worry about the sanitation of drinking from a common cup. Others probably find the idea of "drinking blood" a bit repulsive. Perhaps it is. But so is the idea of "eating flesh." Our communion in Christ is a bold gesture of faith and commitment.

Drinking the Blood of Christ is an important expression of our faith. Jesus asked his followers at the Last Supper to eat his Body and drink his Blood. He didn't recommend just one or the other.

The Letter to the Hebrews expresses the significance of the Blood of Christ. In the past, the high priest entered the Holy of Holies, the heart of the temple, with the blood of goats and calves. The sprinkling of this blood forgave the sins of those who were defiled.

When Christ ascended into heaven, he entered the holiest of holy places. He brought with him his own blood—for our sakes. "How much more will the blood of Christ, who through the eternal Spirit offered himself unblemished to God, cleanse our consciences from dead works to worship the living God." Drinking the Blood of Christ forgives our sins, frees us from "dead works", and makes us more worthy to worship. It is an act of faith, thanksgiving, and forgiveness.
