“Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.” Luke 12:15

The Gospel message today is so contrary to our modern culture where advertising continually tries to convince us that our value lies in the things we possess. Jesus showed us that our true value lies in the way we live our lives. He challenges us to not store up or hoard material possessions, but rather to live a grateful and generous lifestyle.

Sunday's Reflections
2 Timothy 1:6-8, 13-14

STIRRING THE FLAMES

We do not use all the tools we have. A computer can do much more than a typical user understands. Cell phones have more bells and whistles than people know about. Many of us do not know what to do with all the tools in the garage we bought, inherited, or that were left behind. We have more clothes than we can wear, more books and magazines than we can read, more television stations than we can watch. Our lives are filled with opportunity.

So are our hearts. God has given each of us a wealth of tools at our disposal. We have cleverness and concern, ingenuity and compassion, bravery and confidence—but we do not always use them.

The Second Letter to Timothy speaks of our spiritual gifts as something waiting to be stirred into flame. "I remind you to stir into flame the gift of God that you have through the imposition of my hands." The Holy Spirit came to each one of us in baptism and confirmation, implanting the gifts of divine life in us like seeds. Or like sparks. They are ready to do the work that God intended them to do.

Those gifts lack only one thing. They need to be stirred. That is up to each of us. If we are moved by the needs of the world, we will move for the needs of the world. Stir your gifts into flame!
