THANK YOU FOR YOUR GENEROSITY!

The Gospel message is so contrary to our modern culture where advertising continually tries to convince us that our value lies in the things we possess. Jesus showed us that our true value lies in the way we live our lives. He challenges us to not store up or hoard material possessions, but rather to live a grateful and generous lifestyle.

Sunday's Reflections
1 Corinthians 12:3b-7, 12-13

THE REASON FOR GIFTS

Look around your church and you will see many gifts. You will see those who sing and those who read, those who preach and those who greet. You will see some who feed the hungry and others who serve on committees. You will see some who decorate and others who converse. Some have a gift for leading prayer, for parenting children, or for making people feel at home. Everybody has some gift.

Still, not all gifts are equal. Some people excel at their gifts. Others exercise them less capably. The quality of the gift is not that important. It is important to exercise the gift, whatever its extent may be. The use of our gifts releases the power of the Spirit.

St. Paul wrote to the Corinthians, “To each individual the manifestation of the Spirit is given for some benefit.”

God gives gifts for a reason. They are meant to be nurtured and used. The gifts manifest the Spirit. When used properly, they draw attention to God who gives, not to the person who has received.

The manifold gifts within one community show the marvels of the Holy Spirit. When people share their gifts, they create a spirit of selflessness and inspire others to service. They help everyone appreciate the goodness of God, who gives even before we ask.

When people look at you, they also see gifts. For which gifts are you most grateful? How do you share them?
