Sunday's Reflections

1 Corinthians 10:1-6, 10-12

THE ROCK THAT MOVES

Looking back on our past we can retrace the steps that brought us to where we are. We made decisions at important crossroads. We met people we weren't expecting. Opportunities and setbacks came our way. We made the best decisions we could. Somehow, mysteriously, they have brought us to where we are.

Lent is a good time to reflect on the past, to thank God for the blessings that have brought us to this day, and to confess the sins that hindered our journey.

Through this reflection we more deeply realize the presence of Christ. He has been our companion through good times and bad. He has guided us, stood patiently by while we made our mistakes, and cleared a path for our faith.

In a letter to the Corinthians, Paul explained that the followers of Moses had a companion on their journey as well. Surprisingly, that companion was Christ. The Bible records two instances when Moses struck a rock and produced water in the desert. The stories occur in different locations. So a tradition developed that the rock moved along with the chosen people. Paul expands that tradition and says, "the rock was Christ."

Throughout Lent we confess our guilt. But we also take heart in the good news that our sometimes crooked path is straining toward a glorious end. Guiding us along the way, solid as a rock, fluid as a stream, is Christ. Written by Paul Turner. Copyright © 2009
