Reflexiones del domingo
Romanos 11:33-36
RICO EN SABIDURIA

No podemos entender completamente a Dios. Dios habita en el último misterio. Creemos firmemente en la presencia de Dios y experimentamos esta majestad divina de manera espiritual. Pero no lo entendemos ni lo captamos del todo.

Dios creó con una variedad infinita. Considere las muchas plantas y flores en flor, los diversos animales que deambulan por la tierra, los peces que nadan y los pájaros que vuelan. Considere las diferencias en los seres humanos vivos hoy y en generaciones pasadas. Considere las estrellas del cielo y los planetas invisibles. La creatividad de Dios no tiene fin.

Durante nuestra vida a veces cuestionamos los juicios de Dios, pero también nos asombran nuestras bendiciones. Dios nos ha dado el regalo de la vida durante una creación maravillosa. Dios nos ha dado libertad para elegir nuestras acciones, desarrollar buenos amigos y orar con fe.

La vida trae sus desafíos, pero al final, toda la vida está en las manos de Dios. San Pablo les dice a los romanos: "¡Oh, la profundidad de las riquezas, la sabiduría y el conocimiento de Dios! ¡Cuán inescrutables son sus juicios e inescrutables sus caminos!"

No podemos entender completamente a Dios. No siempre sabemos por qué Dios crea el bien y tolera el mal que vemos. Pero no nos corresponde a nosotros saberlo. No nos corresponde a nosotros entender. Es nuestro estar asombrado. Es nuestro dar gloria. Es de Dios ser rico en sabiduría.

SANCTUARY CANDLE

August 23 – Sylvia S. Rocha

Sunday's Reflections
Romans 11:33-36
RICH IN WISDOM

We cannot completely figure God out. God dwells in ultimate mystery. We believe strongly in God's presence, and we experience this divine majesty in spiritual ways. But we do not understand it or fully grasp it.

God created with unending variety. Consider the many plants and flowers in bloom, the various animals that roam the earth, the fish that swim, and the birds that fly. Consider the differences in human beings alive today and in generations past. Consider the stars of the sky and the planets unseen. God's creativity knows no end.

During our lives we sometimes question God's judgments, but we also stand in awe at our blessings. God has given us the gift of life during a wondrous creation. God has given us freedom to choose our actions, to develop good friends, and to pray in faith.

Life brings its challenges, but in the end, all of life is in God's hands. St. Paul tells the Romans, "Oh, the depth of the riches and wisdom and knowledge of God! How inscrutable are his judgments and how unsearchable his ways!"

We cannot completely figure God out. We do not always know why God creates the good and tolerates the evil we see. But it is not ours to know. It is not ours to understand. It is ours to be in awe. It is ours to give glory. It is God's to be rich in wisdom.
