

Phase Two Opening Protocols for Saints Peter and Paul Catholic Church - Tucson- September 18th.

- I. **General notice and welcome back message - Letter from Father Crino.**
- II. **There will be a Phased approach to the re-opening of the Church.**
 - a. The Tucson Diocese follows all recommendations from the Center for Disease Control and others with expertise in public health, as communicated through available sources on the national and local levels.
 - b. We will do everything reasonably possible to provide a safe and healthy environment. Our goal will be to protect all people. Still, most especially those from populations made more vulnerable due to age (over 65 years of age) or with a secondary chronic or underlying medical condition.
 - c. We are urging those in the vulnerable classification to stay home during this phase.
 - d. Those who are **feeling ill in any way** are urged, in the strongest sense, to remain at home.
 - e. Please be aware that there is an inherent risk of resuming any public activity, including the practice of our faith. A parishioner's presence at a public event constitutes his or her understanding and acceptance of this fundamental level of risk.
 - f. When on Church property, all persons must maintain social distancing protocols.
 - g. We are all aware that circumstances evolve quickly. The Diocese of Tucson will implement a re-opening of public liturgies in three phases over time. However, due to changing circumstances and the fluid nature of the pandemic, we are publishing Phase Two at this time, and it too may be updated depending on developing circumstances.
- III. **We will be initiating Phase Two of the phased approach, outlined in this document**
 - a. The Diocese of Tucson will express its unity in the faith by following the same restrictions for all Catholic parishes and entities throughout the Diocese.
 - b. A "Church Full" sign will be posted at the church doors if we fill with people up to the limit of safe social distancing.
 - c. Please make use of a **mask**. The use of a face mask is a sign of our desire to do our part in helping to prevent others from potential contagion. All Children under the age of six years are exempt from this requirement.
- IV. **Sunday Mass obligation is suspended**
 - a. The Sunday Mass Obligation is suspended indefinitely for all persons living in or visiting in the Tucson Diocese.
 - b. Mass is provided for voluntary attendance for healthy persons.

V. Our Celebration of Mass will include the following

- a. During the Phase Two Opening Protocol, we will be offering Sunday Masses as well as weekday Masses. Depending on attendance, one of the three options will be provided. Planning for three options will allow flexibility to adjust as needed to accommodate maximum seating requirements, social distancing, and cleaning protocols.
- b. **Mass schedule Options:**
 - i. *Option One*- Reduce current Phase One Sunday Liturgies times back to the regular Sunday and Saturday evening schedule. Morning weekday Liturgies will be offered on Monday, Wednesday, Friday, and Saturday.
 - ii. *Option Two*- In the unlikely event that attendance is too high to accommodate everyone in option one, the Phase One schedule for extended Sunday Liturgies will be offered. One morning weekday Mass will be provided on Wednesday.
 - iii. ***Option Three*- If attendance allows, the schedule will return to the regularly scheduled Sunday and Weekday Masses.**
- c. Social distancing is required to include: The seating is arranged to have a 6-foot seating radius. Pews will be roped off; every third pew is open for seating. Greeters will open exterior doors and will sanitize them during and after Mass.
- d. Please be aware of posted signs that will read "Church Full" if the new capacity requirements have been met. We would ask then that you attend a later Mass.
- e. A gloved Greeter/Usher will open exterior doors. Inside doors will remain propped open.
- f. The use of hymnals and missals will be suspended.
