*Dear Parish Family,*

I would like to congratulate all of the children of our parish who celebrated their First Holy Communion this Saturday, October 3<sup>rd</sup>, at the 4:00 p.m. Mass here at St. Patrick's. It is always such a special day for our parish family and it was great to see families gathered to finally celebrate this festive occasion. The children and their families had to wait for this opportunity since last May. This has indeed been a year unlike any other in our lifetimes.

I would like to thank our Religious Education staff, our catechists, teachers, volunteers, administration and, of course, the parents. The parents are to be the first and best of teachers in the ways of the faith (for their children). Please keep these children and their families in your prayers. May their love for the Eucharist grow with each passing year.

On a different note, Fr. Spisak will be away from the parish from November 5th through January 11th, 2021 (approximately). He will be having hip replacement surgery. Please keep him in your prayers. While he is gone, I am currently arranging, with the help of the Diocese, for Priestly assistance here at the parish. While I hope to maintain the current liturgical schedule for our parish, some temporary modifications may be necessary during this time period. As plans are developed and finalized, I will keep you informed throughout the process.

Please join us for the Blessing of the Animals this Sunday, October 4th at 12:00 p.m. Noon. We will gather at the portico in front of the Church. All are welcome and social distancing will be observed.

May God bless you and your loved ones with good health and a deep and active faith.

*Fr. Dan Redmond*

The Rosary will be said outdoors. If you need seating please bring a folding chair. Find out more at <https://rosarycoasttocoast.com/>

Thank you for your continued support of our parish ministries and operations during this very difficult time

**St Francis—Blessing of Animals**

While we would normally celebrate the feast of St. Francis on October 4th, our Sunday liturgy takes precedence this year. However, in the tradition of St. Francis of Assisi, we will bless pets and other animals on **Sunday, October 4th, at noon**. Please meet on our church portico with your pet or in the parking lot with your trailered animal. We will bless each animal and their owner individually.

Our second graders, parents and grandparents gathered together on Saturday, September 26<sup>th</sup> for their First Communion retreat. Together, we baked bread from scratch. We talked about Jesus being our bread of life and how receiving Jesus makes us grow to be more like Him. Deacon Bob gave us a tour of the church, and we learned about many of the things that we see at Mass. The students, parents, and grandparents re-enacted the Last Supper of Jesus as they all took part being disciples of Jesus. Chalices and hosts were created with Model Magic as well as with paper cutouts to put on our bulletin board. We would like to thank Miss Gina Basich and Mrs. Maureen Gordon for all of their help with the retreat and for preparing our students for their First Eucharist. Thank you, too, to Mrs. Sandy Fife, who helped us in the kitchen and did a great deal of clean-up!!! Please keep our First Communicants in your prayers. This is their First Communion weekend.

**Pro-Life News**

October is **Right to Life month**. As Catholics approach the polls, we are asked to weigh many important issues. The U.S. bishops have reaffirmed that “the threat of abortion remains our preeminent priority because it directly attacks life itself, because it takes place within the sanctuary of the family, and because of the number of lives destroyed.” While they did warn us not to “dismiss or ignore other serious threats to human life and dignity such as racism, the environmental crisis, poverty, and the death penalty,” they did give priority to upholding and defending our brothers’ and sisters’ most basic right—to live. Two thousand babies are killed in abortion daily since 1973. **Vote** candidates who stand for Life.
