

CLASS DOJO

I wanted to tell you about a behavior tool I use in my classroom called Class Dojo. It is a website that allows teachers to give students immediate feedback on their behaviors, positive and negative. Students get very excited when they are awarded points (it's on display the entire school day) and one of the best things I've noticed is that they are motivated to work together as team and make the right choice. I also use this platform for my parent communication, my newsletter, and snack calendar.

If you have any questions about how to sign-up for Class Dojo, please reach out to me my email at ls Sheridan@preciousblood.org.
