

Hi there! My name is Laurel Sheridan, and this is my second year being the 3rd-grade teacher at Most Precious Blood. If you were a fly in the wall of my classroom, you would quickly realize that I like to have fun while learning. A glow-in-the-dark solar system hanging from the ceiling, a library full of books, and an interactive math library are just a few of the features of my classroom. On a given school day, you would hear songs, watch students competing in academic games, and observe team-building activities as we foster a classroom environment of whole-brain learning.

Outside of school, I enjoy journaling, cooking, and traveling with my husband, Casey. Egypt, Slovakia, and Austria are just a few of the places I have had the privilege to visit. If I could have any pet, I would have a llama (but don't tell my cats, Lester and Alice). I am an avid Target shopper and enjoy visiting local coffee shops. I think there are fewer things better than a warm mug of herbal tea paired with a deep conversation with a friend.

The most important thing to me is my faith. Outside of school, I am actively involved in my church community. I desire for both adults and children to realize that there is God who loves them and who has a unique plan for their lives. My favorite Scripture is, "Trust in the Lord with all your heart and lean not on your understanding, in all your ways acknowledge him, and he will make your paths straight" (Proverbs 3:4-5). When we embrace who God has called us to be, then the adventure begins. It's nice to meet you!
