# Mrs. B's Buzz

---

Dear Parents,

Apple week was so much fun! We will be sending home the apple crafts we did later this week. I think the children's favorite part was the taste test, yummy fun!

Today I am sending home our "Read With Me" program from Panda Express. Please read 5 books with your child and write them down on the bookmark card. When you return the bookmark to school, I will give your child a free kid's meal ticket good at the Apple Glen Panda Express. How easy is that? The children love books!

We will go to the school Library for the first time next week. Please remember to send books back to school by the following Tuesday so your child can check out a different book. Lost books cost 5.00 to help replace.

Keep your eye open for the school book fair next week. All proceeds go to help furnish books for our library. More info to come home later this week.

Blessings,

Mrs. B.
