Regents Corner

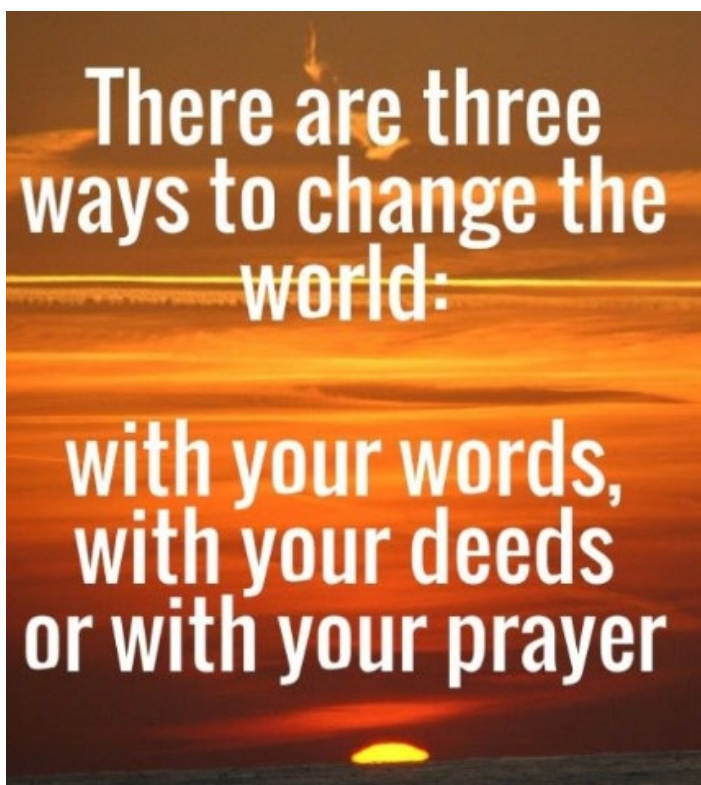

Hello, sisters, and welcome to a new CDA year with your new board. We were able to conduct our first meeting for on September 15th. Setting up for meeting in the morning was a challenge, when we discovered that the meeting room was being painted. Father allowed us to set up in the Narthex, and, being the resourceful ladies that we are, we were able to set up tables and chairs taking into account social distancing. After that the meeting proceeded without any more hiccups. My only wish is that more members had attended.

After Mass Meg and Father did a beautiful swearing ceremony of the new board Members prayer service. I am so grateful that we have such a wonderful Chaplain, Father Khan.

Please look over the hostess and chairman lists and volunteer for one, or even more. Everyone needs to participate to make this a successful year. Even after all the setbacks due to COVID-19 last year, with safe measures and with the help of the Holy Spirit and the Virgin Mary, we will be able to carry out the good works of this organization.

Stay safe and feel free to call any of your board members if you have questions, concerns or suggestions. We look forward to hearing from you.

Circle of Love - This is who we are and what we do in CDA. The seven spokes program is bound together by the common interest of LOVE. To be effective in doing good works, we must reach out to those who are suffering and take our God given talents and use them for making a positive difference in the lives of others. Thus, making a positive difference in our own lives. Two or three spokes can be focused on each year or for a two years term.

Court Daughters of the Holy Trinity #2548

The 19th amendment was passed in 1920 which stated, "The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex."

Women have since made their voices heard at the polls. It is our duty as U.S. Citizens and Catholic Daughters to be active and informed when it comes to our rights and the decisions made by our country. Make Sure You Vote!
