

Pastor’s Notes: Invitation to Planning Study

November 15, 2020

Dear Parishioners,

You may be aware that we are conducting a comprehensive survey of the entire parish. The purpose of the survey is to help gauge support for the following projects that are part of our parish strategic priorities:

- Repair the roof and gutters of the Basilica
- Install new HVAC systems in the Basilica and the RE building
- Renovate the third floor of the RE building into usable meeting space
- Build a “bridge” building connecting the Basilica with the RE building that will provide large meeting space

I would like to thank everyone who has already participated in the study. Your thoughts are extremely valuable to us during this planning process. I encourage everyone that has not responded to do so. Your input will help us make an informed decision regarding our long-range plans for Basilica.

We hope to have all surveys completed by Dec. 2.

You may return your survey to the office or place it in the Offertory basket at any of the Masses.

You may also complete the survey online by going to steiergroup.com/survey. Click on the Basilica of Sts. Peter and Paul and entering the password: **Peter**

Sincerely in Christ Jesus,
